

EXHIBIT A

Documents Requested:

Any and all documents pertaining to any testing performed with regard to the SAN JACINTO WASTE PITS SUPERFUND SITE located directly north of the Interstate Highway 10 Bridge and Crosby alongside the San Jacinto River.

Any and all supporting documents and/or other materials including, but not limited to, study results, test results, expert reports, witness statements, correspondence, memoranda and photographs reviewed and/or used by the EPA in its designation of the San Jacinto Waste Pits (generally located in an area where the Interstate Highway 10 Bridge crosses over the San Jacinto River, east of the City of Houston between two unincorporated areas known as Channelview and Highlands in Harris County, Texas) as an EPA Superfund Site.

Any and all supporting documents and/or other materials including, but not limited to, study results, test results, expert reports, witness statements, correspondence, memoranda and photographs reviewed and/or used by the EPA or its representatives in the drafting and creation of the Administrative Settlement Agreement and Order on Consent for Removal Action entered into by the United States Environmental Protection Agency, International Paper Company, and McGinnes Industrial Maintenance Corporation and filed on May 11, 2010.
